President's Message—Steve Marquardt

I would like to start this newsletter with big congratulations to the Lena High School Varsity Boys Basketball Team on an exceptional season! If you were in attendance at the Sectional game at Preble High School last week, you would have seen a sea of Lena fans wearing blue and white Wildcat clothing. So much pride for our young men playing their hearts out, for our High School and our Village. They made us all very proud of them!

Just like this group of basketball players had a vision to become the “2017 State Champions”, so did our Village leaders when they developed a 20 Year Comprehensive Plan several years ago. The 20-Year Comprehensive Plan is a legal document that provides the policy framework for which village officials will base their development decisions. During the upcoming years, the village will need to address a number of land use issues that will likely have an impact on various aspects of our community. This comprehensive plan will serve as a guide to ensure decisions regarding future land uses are consistent and take into account such items as housing development, provisions of public services and economic development. More to come on our 20 Year Comprehensive Plan in future newsletters.

As always feel free to reach out to me or any of the Village Trustees with any concerns or ideas that you may have.

Ordinance 134-3. Regulation of length of lawn and grasses.

(B) The Village Board finds that lawns, grasses and noxious weeds on lots or parcels of land which **exceed eight (8) inches** in length adversely affect the health and safety of the public in that they tend to emit pollen and other discomforting bits of plants, constitute a fire hazard and a safety hazard in that debris can be hidden in the grass, interfere with the public convenience and adversely affect property values of other land within the Village..... (G) (2) Failure to comply the Village shall cut or cause to cut all grass and weeds from the property and shall charge the expense of so doing at a rate established by resolution by the Village Board. **Please do NOT blow your grass cuttings into the street. It plugs the storm sewers! A notice will be published in the Oconto Reporter, Village website and this newsletter. No other letters will be sent. Possible citations for offenders.**
